María-José Cabré's striking 2011 redesign of this 19th-century mansion features baroque and arabesque touches in the common areas, a 13m-tall Formica and maple sculpture by Jacinto Morós, and the occasional art deco flourish, as in the marble-floored library (pictured). Bijou mosaicked restaurant Ramon Freixa (T 91 781 8262) has two Michelin stars. Calle de Claudio Coello 67, T 91 781 0173
